**CONGRESSMAN THOMPSON
ANNOUNCES SUMMER INTERN**

WASHINGTON, D.C. – Today, United States Representative Bennie G. Thompson (D-MS) is pleased to announce that Je’Kendra Quinnett Robinson, the daughter of Sandra Robinson and William Robinson, of Kosciusko, MS, has been chosen to serve as a congressional intern in his Washington, D.C. office for the summer of 2003.

Congressman Thompson stated, “I’m confident Je’Kendra will do an excellent job. Because she embraces a great interest to work, a high level of determination, and an ability to contend, she will be able to obtain achievement at our offices. Over the course of the summer, she will interact with constituents, other Members of Congress, federal officials and have all the resources of our nations’ capital at her disposal. Je’Kendra has already hit the ground running. She’ll make the people in Kosciusko proud.”

Je’Kendra, an upcoming freshman at the University of Alabama, intends to double major in Spanish Education and Political Science, *Pre-Law*. Upon graduation, she plans to teach Spanish for 5 years while working on her Masters and Doctoral in Political Science and/or Foreign Policy.

“Working as a Congressional Intern for Congressman Thompson has opened up many doors and have led to many uprising challenges. This opportunity has allowed me to progressively network and associate myself with other interns, constituents of Mississippi, and with congressional officials. I am blessed to partake in this experience.” said Je’Kendra.
